Dear Ms. Kelly:

I write in response to your letter of September 4, 1998, regarding this Committee's July Quarterly Report. In that letter you raise two concerns: apparently excessive contributions received and reported on Schedule A, and apparently excessive contributions made as reported on Schedule B.

With regard to contributions received by this Committee, enclosed you will find a signed statement from Richard Bell indicating that he intended to allocate his \$500 contribution to the General 1998 campaign account. This contribution was intended for the General 98 election, however, it was entered incorrectly on the June 30 report. A written statement was requested once this matter was brought to our attention, therefore, it is dated September 16, 1998.

With respect to contributions made by this Committee, we donated \$2,000 to Heather Wilson for Congress Committee. We gave \$1,000 to her June 2 primary election, \$500 to her June 23 special election, and \$500 toward her November 3 general election. None of these contributions exceeds the \$1,000 per election limits of 2 U.S.C. §441a(a). Attached please find an Amendment to our July Quarterly report, clarifying the designation of these contributions on Line 21 of Schedule B.

Thank you for bringing this matter to our attention. Please do not hesitate to contact us if you have any further questions.

Sincerely,

Jeff Shore, Deputy Treasurer
